## Eagle Division Spring 2017 - A Proposal from the President

To the SDA,

We have had some problem with the league this season. For that I am sorry. It took me a little bit to get up to speed with a few of the issues and problems. That being said I am very proud of our Board of Directors. They have stepped up to the challenge. I believe you will see several changes for the better in your league in the near future. With that being said this is the direction I would like to see the Eagle division to go for the spring 2017 season.

1. Singles
2. Anyone is welcome to play in the Eagle division.
3. A match will consist of 3 games of 301, 3 games of 501 and 3 games of cricket
4. 1 point per game for a total of 9 points per match
5. No substitutes, we will try to schedule a makeup week.
6. 2 divisions – East and West.
7. Need a minimum of 5 players to make a division
8. If one of the divisions does not have enough players then the furthest East the West division will have to go is Haden / McClintock road. The furthest West the East will have to go is 7<sup>th</sup> Street.
9. We will try to schedule 3 players to play each other in 1 night. In other words 3 matches will go on at once. 2 players will play and one will chalk. This will depend on how many players we get to sign up.
10. Playoffs will be each division champion will host the other division's second place shooter. Championship match will be at the player's home bar that has the most wins in the season counting playoff matches. In case of a tie, a coin toss will determine the host location.
11. If there are not enough players to have an Eagle Division, SDA will drop to 2 divisions. The board will get together to determine the best split of teams to make it as equal as possible. Eagle players will be allowed to play on Hawk National teams only.

These are my thought on how to move forward this upcoming season. Please let me know what you think.
